The Danish Chess Problem Society

The Danish Chess Problem Society announces the

Henrik Juel Memorial Tourney

In the tradition of Niels Høeg, **Henrik Juel** (February 2, 1945 — January 3, 2025) was at home in all areas of problem chess, but he was particularly interested in retrograde analysis.

So the Danish Chess Problem Society announces the Henrik Juel Memorial Tourney as a formal retro composing tourney with the given theme:

Orthodox retro problems. Stipulation “Resolve the position” or “Last n moves?”. Fairy elements are not permitted.

Send your contribution to the tourney director
Bjørn Enemark (bjorn.enemark@get2net.dk).
Closing date is **August 31, 2026**.
Judge is **Thomas Brand**.
